THE PEACEFUL USES OF NUCLEAR ENERGY IN RELATION WITH PREAMBULAR PARAGRAPHS 6 AND 7 AND ARTICLE IV OF THE NPT

Group of Non-Aligned States: draft resolution

Corrigendum

Page 2, third paragraph

Replace with the following text:

"Noting also with regret that the IAEA's Committee on Assurances of Supply (CAS) -- established in June 1980 to consider, first, ways and means in which supplies of nuclear materials, equipment and technology and fuel cycle services can be assured on a more predictable and longer-term basis in accordance with mutually acceptable considerations of non-proliferation, and second, the Agency's role and responsibilities in relation thereto -- was unable to reach agreement on a set of principles for international co-operation and that in 1987 it suspended its formal discussions, "
